

Joshua Bassett, Lie Lie Lie

So they told me all the things that you said
Running all over my name
And you're acting oh so innocent
Like I'm the only one to blame

You've been lying to yourself
Lie to everyone else
Only thinking about yourself
Darling what the hell

I know what you say about me
I hope that it makes you happy
You can't seem to get me off your mind
I know you're lying through your teeth
You told them the lies that you told me
I've had enough of it this time

You can lie, lie, lie, lie, lie
Go ahead and try try try try try
It won't work this time, time, time, time, time
Kiss your ass goodbye, bye, bye, bye, bye
Kiss your ass goodbye

So you're telling them it's all my fault
You're the victim this time
And you wanna make it seem like it's your call
You're acting like everything's fine

You've been lying to yourself
Lie to everyone else
Only thinking about yourself
Darling what the hell

I know what you say about me
I hope that it makes you happy
You can't seem to get me off your mind
I know you're lying through your teeth
You told them the lies that you told me
I've had enough of it this time

I know what you say about me
You can't get me off your mind

I know what you say about me
I hope that it makes you happy
You can't seem to get me off your mind
I know you're lying through your teeth
You told them the lies that you told me
I've had enough of it this time

You can lie, lie, lie, lie, lie
Go ahead and try try try try try
It won't work this time, time, time, time, time
Kiss your ass goodbye, bye, bye, bye, bye
Kiss your ass goodbye
