

# Joshua Kadison, Gone Without Goodbye

Gone without a goodbye

Singing is not my thing but the way I feel today  
I thought let me give it a try  
It's been years since I had the touch  
The touch of a soft hand of love  
Yes it's been a while since I have felt like a man again  
I sit alone in the corner of the bar  
Writing poems about someone I have never met  
My heart is crying, for that chance to love

Gone without a goodbye

The one I had went way and never looked back  
I always hope that some day she'll come back to me  
And then my life will be same as every man  
My sheets are called, I smell her on the pillow

Still the traces where she laid her hair  
She called a long time ago  
To tell me she's gone up country with friends  
And that she's met a friend called Bobby  
Then she'll hang out the phone  
Before I could even say, come back

Gone without goodbye

Things have turned  
My only friend now is a bottle  
A man who used to be so happy  
I know you can't be champion in love  
But I was hoping , I could give it a try  
And change the way the world smile at me

Gone without goodbye
