

# Joshua Kadison, When A Woman Cries

When a woman cries, when a woman cries,  
she can wash your world away.  
When storms fill her eyes, when storms fill her eyes,  
you never know just what to say.

Don't say a word, don't say anything.  
She don't need your truth or lies.  
Just hold her close and love her  
when a woman cries.

When a woman cries, when a woman cries,  
there is no sadder song.  
So you apologize, you apologize,  
even if you don't know what you've done wrong.

But if you really want to make her happy,  
to stop her sobbing and her sighs,  
just hold her close and love her  
when a woman cries.

Now don't you waste your time thinking  
'bout the right thing to say.  
Just put your arms around her  
'til the clouds roll away

When a woman cries, when a woman cries,  
she can tear your dreams apart.  
When storms fill her eyes, when storms fill her eyes,  
it can break a... break a man's heart.

And if you find that you are crying too,  
don't let it come as no surprise  
Just hold her close and love her  
when your woman cries.
