

Joshua, Miss Rockk : Ooh Oh Oh Oh

Ooh oh, I know you heard it all before
but I'm tellin' you once more
you know who's knockin' at your door
ooh oh oh oh, you know who's comin' down again
and if you wanna be my friend
we gonna jam until the end

THIS IS OUR WAY OF NOISE !!!

Ooh oh oh oh oh oh oh, is it just my imagination
I got my soul in contemplation
it's like I'm livin' in slow motion
ooh oh oh oh, make yourself comfortable
and just rock and let it flow
'til your body lose control

THIS IS OUR WAY OF NOISE !!!
