

Joshua Radin, Brand New Day

Some kind of magic
Happens late at night
When the moon smiles down at me
And bathes me in its light

I fell asleep beneath you
In the tall blades of grass
When I woke the world was new
I never had to ask

Its a brand new day
The sun is shining
Its a brand new day
For the first time in such a long long time
I know Ill be OK

Most kind of stories
Save the best part for last
And most stories have a hero who finds
You make your past your past
Yeah you make your past your past

Its a brand new day
The sun is shining
Its a brand new day
For the first time in such a long long time
I know Ill be OK

This cycle never ends
You gotta fall in order to mend

Its a brand new day
Its a brand new day
For the first time in such a long long time
I know Ill be OK
