

# Joshua Radin, The Fear You Won't Fall

Digging a hole and the walls are caving in  
Behind me air's getting thin  
But I'm trying, I'm breathing in  
Come find me

It hasn't felt like this before  
It hasn't felt like home before you  
And I know it's easy to say but it's harder to feel  
This way  
And I miss you more than I should  
Than I thought I could  
Can't get my mind off of you

I know you're scared that I'll soon be over it  
That's part of it all  
Part of the beauty of falling in love with you  
Is the fear you won't fall

It hasn't felt like this before  
It hasn't felt like home before you  
And I know it's easy to say but it's harder to feel  
This way  
And I miss you more than I should  
Than I thought I could  
Can't get my mind off of you

And I hate the phone  
But I wish you'd call  
Thought being alone  
Was better than, was better than

And I know it's easy to say but it's harder to feel  
This way  
And I miss you more than I should  
Than I thought I could  
Can't get my mind off of you  
Can't get my mind off of you  
And I know it's easy to say but it's harder to feel  
This way  
And I miss you more than I should  
Than I thought I could  
Can't get my mind off of you

And I know it's easy to say but it's harder to feel  
This way
