

Joshua, Why Did You Choose My Voice?

Words come to my mouth
Y'all know what I'm about
look out you could be the target
I'm double-edged, respect

sit back and listen
if you want me to explain
on the mic' I'm just killin'
hard heads and villains

I'm the truth spittin'
green leaves in my poetry you see i'm just chillin'
it's not a chance at all I know it's god's given
miracle everlasting

TELL ME WHY DID YOU CHOOSE MY VOICE?
IT'S LIKE YOU GOT NO CHOICE
YEAH YOU KNOW WHO BRINGS THE NOISE!!!

that's why I bust when I'm rough 'vause I'm rough when I bust
you wanna know wuss up 'cause you don't know who to trust
for all your mothafuckas I got the magic touch
ashes to ashes and dust to dust

I got the number one position on the number one spot
and you can tell me what you want don't give a fuck what you got
I took my melody and jump on this street rock track
and all y'all better listen 'cause this shit won't stop!!!

TELL ME WHY DID YOU CHOOSE MY VOICE?
IT'S LIKE YOU GOT NO CHOICE
YEAH YOU KNOW WHO BRINGS THE NOISE!!!
