

Joss Stone, Proper Nice

[CHORUS]

(Catch me, catch me I'm falling
I'm falling in love with you)
There ain't nothing I can do, I'm way to deep with you
(Catch me, catch me I'm falling
I'm falling in love with you)
I've only got my heart to lose
Should I be scared of you
In love, in love, in love, in love, in love
I'm in love with you
I'm in love

[VERSE]

Now this picture's so clear
I want to trace you
And I'll make no mistakes
I won't erase you
I can travel high
I can travel low
I can do that in my sight
You're in reach
You're the perfect match
Ooh I'm falling

[CHORUS]

(Catch me, catch me I'm falling
I'm falling in love with you)
There ain't nothing I can do, I'm way to deep with you
(Catch me, catch me I'm falling
I'm falling in love with you)
I've only got my heart to lose
Should I be scared of you
In love, in love, in love, in love, in love
I'm in love with you
I'm in love

[VERSE]

Like a star when it falls it lights up the sky
Found a love, proper nice
It makes me fly
When I'm all alone in my world
I can feel you touching me
In my thoughts
In my mind
You come carry me
Ooh I'm falling

[CHORUS]

(Catch me, catch me I'm falling
I'm falling in love with you)
There ain't nothing I can do, I'm way to deep with you
(Catch me, catch me I'm falling
I'm falling in love with you)
I've only got my heart to lose
Should I be scared of you
In love, in love, in love, in love, in love
I'm in love with you
I'm in love
