

Joss Stone, Right To Be Wrong

I've got a right to be wrong
My mistakes will make me strong
I'm stepping out into the great unknown
I'm feeling wings though I've never flown
I've got a mind of my own
I'm flesh and blood to the bone
I'm not made of stone
Got a right to be wrong
So just leave me alone

I've got a right to be wrong
I've been held down too long
I've got to break free
So I can finally breathe
I've got a right to be wrong
Got to sing my own song
I might be singing out of key
But it sure feels good to me
Got a right to be wrong
So just leave me alone

You're entitled to your opinion
But it's really my decision
I can't turn back I'm on a mission
If you care don't you dare blur my vision
Let me be all that I can be
Don't smother me with negativity
Whatever's out there waiting for me
I'm going to face it willingly

I've got a right to be wrong
My mistakes will make me strong
I'm stepping out into the great unknown
I'm feeling wings though I've never flown
I've got a mind of my own
Flesh and blood to the bone
See, I'm not made of stone
I've got a right to be wrong
So just leave me alone

I've got a right to be wrong
I've been held down too long
I've got to break free
So I can finally breathe
I've got a right to be wrong
Got to sing my own song
I might be singing out of key
But it sure feels good to me
I've got a right to be wrong
So just leave me alone
