

Joss Stone, Spoiled

I kinda thought that I'd be better off by myself
I've never been so wrong before
You made it impossible for me to ever
Love somebody else
And now I don't know what I left you for

See I thought that I could replace you
He can't love me the way you do
'Till now I never knew
Baby

[Chorus:]
I'm spoiled
By your love boy
No matter how I try to change my mind
What's the point it's just a waste of time
I'm spoiled by your touch boy
The love you give is just too hard to fight
Don't want to live without you in my life
I'm spoiled

I tried to tell myself that I'd be over you in a week or two
But baby that was 'bout a year ago
I've never seen the word love so personified as I do with you
And that is why I just can't let go, oh no

[Chorus]

Spoil me

And I would only be fooling myself if I tried to
Believe there's room for someone else in my heart
There ain't no way I'm getting over you
I don't know what I've been trying to prove
I'm hopeless, helpless when it comes to you

[Chorus]

I've been spoiled yeah yeah
