

Joss Stone, Super Duper Love (Are You Diggin On Me)

Yeh are you diggin on me
Yeh yeh yeh
I'm diggin on you now baby
Yeh do you want a little bit of my love
Yeh wait a minute wait a minute

All the time that I knew you loved me
Because you were always there
Could I be mistaken
Beliving that you really care

In the presence of all my friends
You stood there holding my hand
And you promise me faithfully
That you will be my only man

Yeh are you diggin on me
Yeh yeh yeh
I'm diggin on you now baby
Yeh do you want a little bit of my love
Yeh wait a minute wait a minute

Everytime I walk down the street with you
I'm as proud asa girl can be
Just to know that you are mine
And that good loving belongs to me

In the presence of all my friends
You stood there holding my hand
And you promise me faithfully
That you will be my only man

Yeh are you diggin on me

Yeh do want a little bit of my love
Yeh wait a minute play it for me Little Beaver

In the presence of all my friends
You stood there holding my hand
And you promise me faithfully
That you will be my only man
