

# Joss Stone, Understand

[Chorus]

I hope you'll understand  
That I can't always come when you call  
Understand everybody has their faults  
Please understand not to worry who I'm with or what I do  
Cause I understand that I'm in love with you  
Do you understand that I'm in love with you

I keep our song on repeat  
On my ipod, even when I sleep  
And in my dream I'm holding you  
Alone on an island just us two

[Chorus]

The last guy had me so wrong  
He kept complaining I was away too long  
Don't treat me that way cause in your head  
You've got to trust me I won't be led

[Chorus]

I hope your mind ain't working overtime  
I hope your memories are full of good times with me  
Don't trip if right now I can't answer the phone  
Cause you know that soon I'll be coming home

[Chorus]

Do you understand  
Cause I understand  
Do you understand that I'm in love with you boy  
I'm so in love with you, so in love with you  
Cause I understand  
Do you?  
Do you understand that I'm in love with you  
Do you understand I'm in love with you
