Journey, Be Good To Yourself

(Perry/Cain)

Runnin' out of self-control Gettin' close to an overload Up against a no win situation Shoulder to shoulder, push and shove I'm hangin' up my boxin' gloves I'm ready for a long vacation

[Chorus:]
Be good to yourself when, nobody else will
Oh be good to yourself
You're walkin' a high wire, caught in a cross fire
Oh be good to yourself
When you can't give no more

I'm turnin' off the noise that makes me crazy Lookin' back with no regrets To forgive is to forget I want a little piece of mind to turn to

They want it all but you gotta say no

[Chorus]

Be good to yourself when, nobody else will
