## Journey, Believe

(Augeri, DeRossi)

Hold on, hold on To opportunities you thought long gone Hold on, hold on To the could-have-beens and should-have-dones

You can lose yourself along the way Find there's something new in yesterday

Hold onto your faith and your dreams Look into yourself and believe In you

Oh, go on, go on The stars will guide your journey home, yeah Oh, it won't be long 'Til you see your diamonds in the stone, yeah

'Cause there's still some magic here tonight If you just step out into the light

Hold onto your faith and your dreams Look into yourself and believe

I believe in you, believe in me I believe in you, believe in me I believe the truth will set you free, yeah I believe in you, believe in me

I believe in you, believe in me

(Hold on) Hold on, hold on To your innocence and your beliefs Mmm, hold on, hold on Onto who you are and where you've been

I believe in you, believe in me, yeah I believe in you, believe in me Oh, I believe the truth will set you free, yeah, yeah I believe in you, believe in me

Oh I believe in you, believe in me Oh I believe in you, believe in me Yeah I believe the truth will set you free Oh, I believe in you, believe in me Oh, whoa, oh yeah, oh yeah

I believe in you (I believe in you)
Darlin', believe in me (Darlin', believe in me)
I believe in you (I believe in you)
Darlin', believe in me (Darlin', believe in me)
