

# Journey, Can Do

(Perry/Valory)

Did you ever stop to listen  
To what you're missin', in the things you say  
If you open up your eyes  
than you'll realize, what I say

[Chorus:]

You can do what you want to  
you can do if you try  
You can do what you want to  
You can do if you try

You take that golden rule  
That you learned in school  
And just throw it away  
If you're well directed  
Then you're protected, from the evil ways

[Chorus]

You can do what you want to  
You can do if you try
