

# Journey, Destiny

Destiny, destiny, just to fly away...  
A lonely boy and two lonely girls  
Set sail today in search of gold and pearls,  
To carry on with happiness in worlds apart,  
Destiny with broken hearts,  
Fly away...  
Love and hate crossing in the way  
To somewhere new, somewhere far away...  
To carry on with happiness in worlds apart,  
Destiny with broken hearts  
Fly away...
