## Journey, Don't Stop Believing

Just a small town girl, livin in a lonely world She took the midnight train goin anywhere Just a city boy, born and raised in south detroit He took the midnight train goin anywhere A singer in a smokey room A smell of wine and cheap perfume For a smile they can share the night It goes on and on and on and on Strangers waiting, up and down the boulevard Their shadows searching in the night Streetlight people, living just to find emotion Hiding, somewhere in the night Working hard to get my fill, Everybody wants a thrill Payin anything to roll the dice, Just one more time Some will win, some will lose Some were born to sing the blues Oh, the movie never ends It goes on and on and on and on (chorus) Dont stop believin Hold on to the feelin Streetlight people
