

Journey, Feeling That Way

(Perry/Rolie/Dunbar)

Opened my eyes to a new kind of way
All the good times that you saved
Are you feeling,
You feeling that way too
Or am I just,
Am I just a fool

When the summer's gone
She'll be there standing by the light
Once she's been to where she's gone to
She should know wrong from right

A new road's waiting, you touched my life
Soft and warm on a summer's night
You're the only one, the only one I love
The lovely one, I'm thinking of
