Journey, Spaceman

(Dunbar/Rolie)

Don't be so wise, I was born to fly Not without a place in the wind Walked off a cliff, then I closed my eyes Ooh, I'm not a spaceman, no, no Ooh, I'm not a spaceman

Don't need no feathers, I don't need no twine, I'm all together in my body and my mind, Not supernatural, just a human combine, Ooh, I'm not a spaceman, no, no Ooh, I'm not a spaceman!

Can't see a castle, I don't need a sleigh, I brought my wings, no, not today I'm a cosmopolitan, right-handed wingless man Ooh, I'm not a spaceman, no, no Ooh, I'm not a spaceman.
