

# Journey, Walks Like A Lady

(Perry)

Walks like a lady,  
With her tender charms.  
She moves like a lady  
When I'm in her arms.  
She loves like a lady,  
Lovin' all night long.  
She cries like a baby  
When she's done something wrong.

[Chorus:]  
I told you once, yes, I told you twice  
But you never listen to my advice  
I catch you walkin' with that boy again  
I'm gonna set you free.  
Oh, I'm gonna set you free.

Loves like a lady,  
So soft and slow.  
She feels like a lady,  
Ooo, I can't let go.  
She smiles like a lady,  
Smilin' all night long,  
But cries lake a baby  
When she's done something wrong.

[Chorus]

Walks like a lady  
Oh, but she cries like a little girl  
Walks like a lady  
Yes, but she cries like a little girl  
Walks like a lady,  
Walks like a lady  
Cries like a little girl
