Joy Division, Autosuggestion

Here, here, Everything is by design, Everything is by design.

Here, here, Everything is kept inside. So take a chance and step outside, Your hopes, your dreams, your paradise. Heroes, idols, cracked like ice.

Here, here, Everything is kept inside. So take a chance and step outside. Pure frustration face to face. A point of view creates more waves, So take a chance and step outside.

Take a chance and step outside. Lose some sleep and say you tried. Meet frustration face to face. A point of view creates more waves.

So lose some sleep and say you tried. So lose some sleep and say you tried...
