

Joy Division, Means To An End

A legacy so far removed
One day will be improved
Eternal rights we left behind
We were the better kind
Two the same - set free too
I always looked to you.

We fought for good - stood side by side
Our friendship never died
On stranger waves - the lows and highs
Our vision touched the skies
Immortalists with points to prove
I put my trust in you.

A house somewhere on foreign soil
Where ageing lovers call
Is this your goal - your final needs?
Where dogs and vultures eat
Committed still, I turn to go
I put my trust in you.

In you, in you, in you
Put my trust in you, in you
