

Joy Electric, And Without Help We Perish

Lean of means and friends
Tricked too, by rusting replicants
Born of percentage
The ushering in of newly bred
Lean of means and friends

We perish
We lose it all
We perish
Without help
We perish
We lose it all
We perish
Without help we fail
Without help we fail

Kept by reigns and forms
The archery of fiendish folks
Play duels by notables
Most notably dubbed unable
Kept by reigns and forms

We perish
We lose it all
We perish
Without help
We perish
We lose it all
We perish
Without help we fail
Without help we fail
