

Joy Electric, Become As Murderers

Minus blood I'm still not you
Multiplied, you are not so noble
Irrational and crippled, too
How the life escapes from your veins (ah)

We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)

Loss of mind or still too blind?
Sucking your desire to be useful
I cannot pretend or try
Watching as your blood bursts inside (ah)

We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)

(Ah)

We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (ba-ba, ba ba-ba, ba ba-ba, ba ba-ba)
We've become as murderers (murderers)
As murderers
As murderers
As murderers
As murderers
