

# Joy Electric, Farmhouse Fables

Hear them well, these farmhouse fables  
And read them well, these farmhouse fables  
And hear them well, these farmhouse fables  
And read them well, these farmhouse fables  
And believe....

Books are sent in times unspoken  
Words relent, deeds unwoven  
Magic's lost on the less noble  
All comes soon, farmhouse fables  
All will come soon, farmhouse fables
