

# Joy Electric, Nikola Tesla

Nikola Tesla, Nikola Tesla  
Nikola Tesla, Nikola Tesla  
Lesser known of these inventors  
Bell, Marconi, T. Edison  
Libraries of calculations  
Unfinished and then forgotten

Nikola Tesla, who remembers?

Radio, a feat unheard of  
Broadcast from a wireless system  
Neon lights, fluorescent light bulbs  
Microscopes and basic radar

Nikola Tesla, who remembers?

Genius, scientist, inventor  
Penniless at death, yet ignored
