

# Joy Electric, We Are Rock (The Echoing Green R

Let's get away and we won't stop

All together  
Yeah, we are rock

You take all the good things from us poor  
And left all of us weeping wanting more  
But we won't give up and we won't stop

All together  
Yeah, we are rock

You strip all these sheep and bleed them dry  
I got these feelings  
I know the meaning  
It's that they've passed on the weaklings  
We are rock together  
We are rock forever  
Oh, yeah  
Yeah, yeah, yeah, we are rock  
Yeah, yeah, yeah, we are rock
