

Joy Enriquez, I Can't Believe

Verse 1 :

You're all I've ever wanted
You're all I've ever dreamed
To have in my life
It feels -- so good -- so right
One day I jsut imagined
But how true love has taken control of me
Love has finally found me

B - section 1 :

It's you -- that came to me -- and made me see
That dreams could become true
Now that you're -- here with me -- I've come to see
That my dream was you

Hook :

I can't believe -- that you're here with me
Was it meant to be -- Is this a fantasy
I can't believe -- That love's got me
And you gave me -- a love I can't believe

Verse 2 :

Heaven must have sent you
Cause God knows there's a lot of things
I've been through
That's why I'm here with you
Because you know just what to do
And pain and hurt could never be part of you
That 's why -- I do -- love you

B - section 2 :

My love for you -- that's in me -- always will -- be reality (ad lib)
Your love for me -- that's in you -- always will --
Be the love I need (ad lib)
