

Joyner Lucas, 10 Bands (ADHD) ft. Timbaland

10 bands

20 bands

she'll do anything for a couple grand

never had no money

but she loves to dance

I give all my money back to uncle sam

my ex... still want another change

man, I swear I'll never fall in love again

I don't came up

I'm the /// man

me and Timbaland got other plans

you don't really know what you up against

boy, you know I always got the upper hand

you ain't never been through the struggle man

home-made grits on the oven pan

you don't want shit

you don't wanna dance

2 shots

make 'em do the running man

and they say

love is a drug!
