

# Joyner Lucas, Will

I am feeling like  
I think I am a prince  
I am feeling myself

I am loaded whit bills  
I wasn't blessed whit no uncle Phil  
don't know how it feels  
I want to flex they told me to chill  
I am making a flip  
my life is a flick come load up the film

I got me some paper  
hired a butler and got e a waiter  
I wannna get married  
but none of my shortys remind of Jada  
or maybe I am just too afraid to settle  
I wish I was planning it different  
I think it's a phase

I am very conditioned I m stuck in my ways  
and scared of commitment  
I am very conflicted  
I got the drip and I am saucy  
ADHD Imma bad boy  
I think I might just pull up in the Rari  
I might just skrrrt up the phillie  
they call me big Willie  
I think I am mike larry  
ain't nothing much you can tell me  
I blew thru a millo and threw me a party
