

JP Cooper, If The World Should Ever Stop

I know the times are changing
I know the times are strange
No one knows about tomorrow
I know that nothing's certain
Some things you can't explain
Time is stolen, time is borrowed

All i know is I
I won;t let you down
If you're stepping out
I'll be following you

I the world should ever stop
And you feel like getting off
Then my bags are packed
You know i've got your back
If the world should ever stop

Singing ohh ohh ohhh
I swear to God, it's not end
Singing ohh ohh ohhh
If the world should ever stop

So if the stars are falling
And everything's upside down
We can dance upon the ceiling
Of if your hop eis falling
Wrestling with your doubt
I'll be there, i a still believing

All i know is I
I won;t let you down
If you're stepping out
I'll be following you

I the world should ever stop
And you feel like getting off
Then my bags are packed
You know i've got your back
If the world should ever stop

Singing ohh ohh ohhh
I swear to God, it's not end
Singing ohh ohh ohhh
If the world should ever stop
