

# JP Saxe, If The World Was Ending (ft. Julia Michaels)

I was distracted  
and in traffic  
I didn't feel it  
when the earthquake happened

but I really got my thinking  
were you out drinkin  
were you in the living room

chillin' watchin' tv  
it's been a year now  
think I've figured out how  
how to let you go and let  
communication die out

I know you know , we know  
you weren't down for forever and it's fine  
I know you know , we know  
you weren't meant for each other  
and it's fine

but if the world was ending  
you'd come over right  
you'd come over and you'd say the night  
would you love me for the hell of it  
all our fears would be irrelevant  
if the world was ending  
you'd come over right  
the sky'd be falling and I'd hold you tight  
and there wouldn't be a reason why  
we would even have to say goodbye  
if the world was ending  
you'd come over right  
right?  
if the world was ending  
you'd come over right  
right?

I tried to image  
your reaction  
didn't scare me when the earthquake happened  
but it really got me thinking  
that night we went drinking  
stumbled in the house  
and didn't make it pass the kitchen  
it's been a year now  
think I've figured out how  
how to think about you  
whiteout it ripping my heart out

but if the world was ending  
you'd come over right  
you'd come over and you'd say the night  
would you love me for the hell of it  
all our fears would be irrelevant  
if the world was ending  
you'd come over right  
the sky'd be falling and I'd hold you tight  
and there wouldn't be a reason why  
we would even have to say goodbye  
if the world was ending  
you'd come over right  
right?  
if the world was ending

you'd come over right  
right?

I know you know , we know  
you weren't down for forever and it's fine  
I know you know , we know  
you weren't meant for each other  
and it's fine

but if the world was ending  
you'd come over right  
you'd come over and you'd say the night  
would you love me for the hell of it  
all our fears would be irrelevant  
if the world was ending  
you'd come over right  
the sky'd be falling and I'd hold you tight  
and there wouldn't be a reason why  
we would even have to say goodbye  
if the world was ending  
you'd come over right  
right?  
if the world was ending  
you'd come over right  
right?
