

# JS, Half

I started to burn your clothes  
I started to scratch your car  
I started to call my brothers  
But I don't have to go that far

Was about to get back at you  
The way scandalous women do  
All because you weren't true  
And I don't have to take this from you

(Half!)  
I can't take it no more  
(Half!)  
Time to face the door  
(Half!)  
I'm tired of these silly games  
(Half!)  
I'ma bout to make a change

(Half!)  
Think you better leave your keys  
(Half!)  
I was sleeping with the enemy  
(Half!)  
Now your friends can't do nothing for ya  
(Half!)  
Think you're gonna need a lawyer

I started to call her up  
And let her know who I am  
But seein as I'm build so tough  
See I don't have to show that hand

About to just lose my cool  
I'm bout to just act a fool  
You open your closet door  
Now I'll be seein your ass in court

(Half!)  
I can't take it no more  
(Half!)  
Boy you bedda face the door  
(Half!)  
I'm tired of these silly games  
(Half!)  
I'm about to make a change

(Half!)  
You better leave your keys  
(Half!)  
I was sleeping with the enemy  
(Half!)  
Now your friends can't do nothing for ya  
(Half!)  
Boy you're gonna need a lawyer

Quit calling me baby  
Telling me your sorry  
Cuz that don't work now  
I've fallin outta love now  
See you can get the car boy  
And I get the house boy  
You walk with the t.v.  
And I get to go free

(Half!)  
Now wait a minute boy  
And lemme explain  
Sit back and talk about why things change  
We were only like a frail chain  
But a lil' two young for love to maintain  
You were comin up just like the skyscraper,  
But grew up in the hood chasing that paper  
Damn to the bling  
Dice to the sing  
You even have it all like from the crop to the cring  
Came to America like Javi the king  
Like daddy he came saw me then claim your queen  
Starting in for tripping  
While sitting on them thangs  
Now you gettin played like a cash machine

(Half!)  
I can't take no more  
(Half!)  
Time to face the door  
(Half!)  
I'm tired of the silly games  
(Half!)  
And I'm about to make a change

(Half!)  
I think you better leave your keys  
(Half!)

(Half!)

(Half!)

(Half!)

(Half!)  
Tired of these silly games

You've got the best of me  
(Half)  
Pulling yo phony games plus  
(Half)  
I'm so glad that I  
(Half)  
I didn't sign them papers  
(Half)  
To blind to see  
(Half)  
How you were treating me

(Half)  
Here is what I want  
(Half)  
A check and I'm moving on  
(Half)
