

JS, Love Angel

I wanna be your love angel....love angel

[Verse One:]

Sit here on the sofa boy
Put your drink on this coaster boy
And just sit back and relax your mind
Cause you're about to have a good time
Cause you been working hard all day
And now its time to get away
Turn your phone and two-ways off
Ill be the only one you need to call

[Bridge:]

I cant wait to give you all this lovin
Cause baby you deserve it
You give me back the real kissin and huggin
Boy tonight Ill be your....

[Chorus:]

Love angel a touch of heaven from me
Love angel my love is all you need
Love angel you can depend on me
Love angel Im gonna be your love angel

[Verse Two:]

First we'll get into the showers boy
And make love for hours boy
Tonight your gonna be all mine
Make the greatest love all times
And youll wont get enough of my heavens touch

[Bridge]

[Chorus]

[Bridge Two:]

Can you imagine boy you and me going above the sky
Physical attraction follow me Im gonna be your guide
Chain reaction once we start boy we cant stop
You and me climaxin we'll be taking this love straight to the top

[Chorus]

[R.Kelly:]

Yea... JS... Said somebody's... Whoo... Callin me...
Hello Ladies from around the way
I thought I heard somebody call my name
I'm here to take you out this pourin rain
And cuddle you just like a small cafe
Soothe your body and put your mind at rest
You don't believe than ask JS
From the sofa to the bed to the floor
I'm bout to take you straight through Heaven's door

[Chorus]

[JS]

However you want me to touch you boy.
However you want me to feel you boy.
However you want me to kiss you boy

[Both]

I'll do it, I'll do it, I'll do it [repeat untill fade]
