## Judas Priest, Revolution

If you think it's over Bétter think again There'll be no compromise Turning up the power Feel adrenaline Move into overdrive Here comes the revolution Time for retribution If you think I'd back down Or accept defeat Brace for the aftershock Driven to the limit Take it to the streets Give it everything you've got Here comes the revolution Time for retribution Time to come together Revolution Living on forever Revolution Get ready for the evolution Here comes the revolution Time for retribution
