

# Judas Priest, The Lodger

Judas Priest prezentuje utwór "The Lodger" z płyty Invincible Shield" (premiera 8 marca 2024 r.).

He's the lodger trying hard to blend in  
As he stalks his prey  
He's no killer but he can't let this man just walk away  
He thinks of nothing but this  
I'll bring my brand of justice

Vengeance is mine said the lodger  
Vengeance is mine

The night he got there heavy fog rollin' in  
The landlord did say  
Is he the killer? That poor girl had no chance  
The man was depraved  
But now the lodger lives there  
Cause that dead girl was his sister

Vengeance is mine said the lodger  
Vengeance is mine

Gonna find him gotta find him  
When I find him they'll never find him

A policeman caught the killer  
Now he and I can tell her

Vengeance is mine said the lodger  
Vengeance is mine
