

# Jude Harrison, Anyone but you

Sick of the line that's fading me  
I never know what to believe  
In a world that's crushing me  
You're the only one I see  
I don't change my mind for anybody  
I won't waste my time on just anybody  
I won't share my life  
With anyone but you  
It's such a long way  
With anyone but you  
I couldn't follow  
With anyone but you  
Never anyone but you  
They put my poster on the wall  
They watch and wait for me to fall  
They think they made me who I am  
Oh they don't know me at all  
I don't change my mind for anybody  
I won't waste my time on just anybody  
I won't share my life  
With anyone but you  
It's such a long way  
With anyone but you  
I couldn't follow  
With anyone but you  
Never anyone but you  
Never anyone  
With anyone but you  
It's such a long way  
With anyone but you  
I couldn't follow  
With anyone but you  
Never anyone but you  
They build you up so high  
So you can hardly see the stars beneath your feet  
I'm falling through the cloud  
Then it'll be the next to catch me  
Ah, ah, ah  
With anyone but you  
It's such a long way  
With anyone but you  
I couldn't follow  
With anyone but you  
Never anyone but  
Never anyone but  
With anyone but you  
It's such a long way  
With anyone but you  
And I couldn't follow  
With anyone but you  
Never anyone but you
