

# Jude Harrison, I just wanted your love

You got time  
If time is what you needed  
You're not mine  
I'd rather not believe you're fine  
Rather think you're up all night  
You're alright  
You knew me when you met me  
Let's not fight  
I'm just a little feisty  
Maybe, maybe I would lose my mind  
I don't wanna let you go away  
I don't wanna let you go  
Boy, I just wanted your love  
I just need a bit your love  
I just wanted your love  
I don't wanna let you go  
You got steam  
The wheels are turning  
It's just me  
I'm crashing and I'm burning out  
Shouldn't we be making out?  
You got guts  
Guts is what I need now  
I don't mind  
I'm starting to believe it's over  
Tell her I loathe her  
I don't wanna let you go  
Boy, I just wanted your love  
I just need a bit your love  
I just wanted your love  
I don't wanna let you go, ha  
Letting you go  
Letting you go  
Letting you go  
Letting you go  
Letting you go  
Yeah, yeah, boy  
I don't wanna let you go away  
I don't wanna let you go  
I just wanted your love  
Bit your love  
I just wanted your love  
I don't wanna your love
