Jude Harrison, Waste my time (feat. Shay)

Friends are telling me I lost my mind When I hooked up with you Maybe thats true Said that III wake up one day Asking what did I do Maybe thats true too When Im with you everythings alright All I know is how I feel When youre with me Waste my time, waste my time Not so sure that III be yours And baby you could be mine Its all about hanging out Cause you know how to waste my time Nothing like an empty day With nowhere to be Youre right there with me Laughing as the world go by How we let the day Moving way too fast Cause when Im with you I dont really care What they all want me to be I just want you beside me Waste my time, waste my time Not so sure that III be yours And baby you could be mine Its all about hanging out Cause you know how to waste my time [Shay] Call me Shay on the M-I-C When you listening to me You be listening to b bumping To the rhythm theyll be given When we hit them with the beats on the streets Dont forget the way were living, yo (Waste my time) You girl on the other side of the wall (Waste my time) I like the way you move your body, and if you fall (Not so sure that III be yours) Ill be the one thats gonna catch you before you hit the ground (Baby you could be mine) Im feeling your sound Its all about (yeah girl, its all about) Hanging out (you know, we hanging out) Cause you know how to waste my time Waste my time (wasting my time) Waste my time (yeah, yeah) Not so sure that Ill be yours But baby you could be mine (you could be mine) Its all about hanging out (yeah girl, its all about) Cause you know how to waste my time (wasting my time) You know how to waste my time
