## Jude Harrison, Who am I fooling

My skin doesn't fit

My words seem so hollow

I feel like a fraud

And that's a bitter pill to swallow

Sometimes it hits me right between the eyes

Everyone can see through my disguise

Who am I fooling

I'm just a smiling face

In a make-believe world

Who am I fooling

I'm just a wannabe

So easy to replace

Pretending I'm a perfect girl

All alone in the mirror

All alone on the shelf

I'm trying to hold on

To a little piece of myself

Doesn't anybody realize

Even I don't buy my own disguise

Who am I fooling

I'm just a smiling face

In a make-believe world

Who am I fooling

I'm just a wannabe

So easy to replace

Pretending I'm a perfect girl

There's a part of me that's fighting back

There's a part of me that knows

When I'm pouring out my heart

I'm still putting on a show

Who am I fooling

In a make-believe world

Who am I fooling

So easy to replace

(pretending I'm a perfect girl)

Who am I fooling

I'm just a smiling face

In a make-believe world

Who am I fooling

I'm just a wannabe

So easy to replace

Pretending I'm a perfect girl

Who am I fooling

I'm just a smiling face

In a make-believe world

Who am I fooling

I'm just a wannabe

So easy to replace

Pretending I'm a perfect girl

Pretending I'm a perfect girl
