

Judith Christie Mcallister, A Lifestyle Of Worship

(Verse)

May the life that I live reflect Your glory
May the words that I speak honor Your name
My the thoughts that I think be pleasing unto You
May my life be a praise unto You Lord

(Chorus)

A lifestyle of worship to fulfill Your holy purpose
To be pleasing and acceptable in Your sight
Nothing else can compare to living in Your perfect will
May my life be a praise unto You Lord

(Repeat Verse)

(Repeat Chorus)

May my life be a praise unto You Lord
Take my life as a praise unto You Lord
Here's my life as a praise unto You Lord
May my life be a praise unto You Lord
