

# Judith Christie Mcallister, Raise The Praise

(Verse One)

There is a place we must long to go  
Where secrets of the Kingdom  
And truths are made known  
To make it there  
You gotta make the choice  
To push past the average  
And status quo to...

(Refrain)

Raise the praise  
Raise the praise  
Raise the praise  
A little bit higher  
A little bit higher

(Verse Two)

In the Holy of Holies  
There's no need to fight  
So lift up your voices  
Proclaim your right  
As a Royal Priesthood  
You have authority  
To declare on earth the victory!

(Repeat Refrain)

(Bridge)

Raise the praise, in your lifestyle of worship  
Raise the praise, in integrity  
Oh raise the praise, lift high the standard  
Raise the praise, a little bit higher!!!

(Repeat Refrain Out)
