Lyrics: I Will Follow You

Seems like heaven  
Seems the world just turns for us  
One embrace  
Sacred place for all the games we play  
The sweetest moments  
The best of life is here to stay  
On my way  
All the rainy clouds just fade away

It's a matter of time, we're together  
For one day  
We be lost in the sand  
Could it be the end

I will follow you  
I will be there for you  
You will see me by your side  
I will live with you  
All my dreams are for you  
With your spirit flying high  
With your spirit flying high

Ordinary people  
Living ordinary lives like everyone  
But our souls feel like one cause our love are so strong

It's a matter of time, we're together  
For one day  
We be lost in the sand  
Could it be the end

I will follow you  
I will be there for you  
You will see me by your side  
I will live with you  
All my dreams are for you  
With your spirit flying high  
With your spirit flying high

It's a matter of time, we're together  
For one day  
We be lost in the sand  
Could it be the end

I will follow you (I will follow you)  
I will be there for you (I will be there for you)  
You will see me by your side (by your side)  
I will live with you (I will live with you)

All my dreams are for you  
With your spirit flying high  
With your spirit flying high
