

# Judith Owen, We Belong

God there is a reason  
Why we do the things we do  
I was broken i was bleeding  
I really thought i&#039;d lost you  
But you were all believing  
Yes, you could see that we would pull through

And love is such a hard thing  
When you love as much as we do  
For all the pain and the grieving  
The sun and moon cannot compare to you  
So believe me  
There is nothing i would not do

I wasn&#039;t looking for anybody else  
But now that i&#039;ve found you i know  
That it&#039;s hard to believe me  
When i say

We belong together  
The sun and moon don&#039;t always shine but  
We belong together  
I&#039;m happy that you&#039;re mine  
All mine

We belong

God there is a reason  
Why we act the way we do  
It&#039;s like the changing of the seasons  
As a fever dies another&#039;s born anew  
So believe me  
My voice is still but my heart remains true

I wasn&#039;t looking for anybody else  
But now that i&#039;ve found you i know  
That it&#039;s hard to believe me  
When i say

We belong together  
The sun and the moon don&#039;t always shine but  
We belong together  
And i&#039;m happy that you&#039;re mine  
All mine

We belong.
