

# Judy Collins, Both Sides Now

(Clannad & Paul Young)

Bows and flows of angel hair and ice cream castles in the air  
And feather canyons everywhere, I've looked at clouds that way  
But now they only block the sun they rain and snow on everyone  
So many things I would have done, but clouds got in my way

I've looked at clouds from both sides now  
From up and down and still somehow  
It's cloud's illusions I recall  
I really don't know clouds at all

Moons and Junes and ferris wheels the dizzy dancing way you feel  
As every fairy tale comes real, I've looked at love that way  
But now it's just another show, you leave 'em laughin when you go  
And if you care don't let them know, don't give yourself away

I've looked at love from both sides now  
From give and take and still somehow  
It's love's illusions I recall  
I really don't know love at all

Tears and fears and feeling proud, to say, "I love you" right out loud  
Dreams and schemes and circus crowds, I've looked at life that way  
But now old friends are acting strange they shake their heads, they say  
I've changed  
But something's lost but something's gained in living every day

I've looked at life from both sides now  
From win and lose and still somehow  
It's life's illusions I recall  
I really don't know life at all
