

Judy Garland, I'm Just Wild About Harry

I'm just wild about Harry
And Harry's wild about me
The heavenly blisses of his kisses
Fill me with ecstasy

He's sweet just like chocolate candy
Or like the honey from a bee
Oh, I'm just wild about Harry
And he's just wild about me

Now, I'm just wild about Harry
And Harry's wild about me
The heavenly blisses of his kisses
Fill me with ecstasy

Say now, he's sweet just like chocolate candy
Or like the honey from a bee
Oh, I'm just wild about Harry
And he's just wild about -
Cannot do without -
He's just wild about me
