

Judy Garland, I've Got The Sun In The Morning

Taking stock of what I have and what I haven't
Though I find the things I've got will keep me satisfied
Checking up on what I have and what I haven't
Though I find a healthy balance on the credit side

Got no diamonds, got no pearls
Still I think I'm a lucky girl
I got the sun in the morning and the moon at night
Got no mansion, got no yacht
Still I'm happy with what I've got
I got the sun in the morning and the moon at night

Sunshine gives me a lucky day
Moonshine gives me the Milky Way

Got no checkbook, got no bank
Still I'd like to express my thanks
I got the sun in the morning and the moon at night
And with the sun in the morning and the moon at night I'm alright

(Got no butler, got no maid, still I think I've been overpaid)
I got the sun in the morning and the moon at night
(She's got the sun in the morning and the moon at night)
(Got no silver, got no gold, what you've got can't be bought or sold)
Got the sun in the morning and the moon at night
(She's got the sun in the morning and the moon at night)

Sunshine gives me a lucky day
Moonshine gives me the Milky Way

(Got no diamonds, got no pearls
Still, Ms. Annie's a lucky girl)
Got the sun in the morning (sun in the morning)
Got the moon in the evening (moon in the evening)
Got the sun in the morning and the moon in the evening
And I'm doing alright
(Got the sun in the morning
Got the moon in the evening)
I'm doing alright
