

# Judy Garland, It Never Was You

I've been searching through rains  
And the wind that follows after  
For one certain face  
And an unforgotten laughter  
I've been following signs  
I've been searching through the lands  
For a certain pair of arms  
And a certain pair of hands  
Yes, i tried a kiss here  
And i tried a kiss there  
For when you're out in company  
The boys and girls will pair  
But it never was you  
It never was anywhere you  
An occasional sunset reminded me  
Or a flower hanging high on a julep tree  
Or one red star hung low in the west  
Or a heart-break call from a Meadow Lark's nest  
Made me think for a moment  
Maybe its true  
I found him in the star  
In the call  
In the blue  
But it never was you  
It never was anywhere you  
Anywhere, anywhere you
