

Judy Garland, What Now, My Love?

What now, my love, now that you've left me?
How can I live through another day?
Watching my dreams turn into ashes
and my hopes into bits of clay

What now, my love? Once I could feel
Now I am numb, I've become unreal
I walk the night without a goal
Stripped of my heart, my soul

What now, my love? Now there is nothing
Only my last goodbye

What now, my love, now that it's over?
I feel the world closing in on me
Here come the stars tumbling 'round me
There's the sky where the sea should be

What now, my love, now that you've gone?
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now, my love? Now there is nothing
Only my last goodbye!
