

Judy Garland, You Can Do No Wrong

You can do no wrong
you're as right, as the nightingale's song
You're the nth of perfection
of them all your the star
when you gaze in my direction
life is caviar

I can barely wait

till I know, that we'll share the same fate
and from then on, sweet angel
I shall worship you my life long
for you can do no wrong

It's painfully true
that you can do no wrong
